Whether sunshine or snow, please always come prepared. Suitable footwear is necessary for these walks.

**Dawdles** walks should take about an hour unless otherwise stated, 2.5/3 miles - Where there is a car share, allow for extra time to reach destinations and return. Everyone welcome, health questionnaire required, suggested donation £1 per walk towards expenses. We usually find optional refreshments to continue our social gatherings. We will substitute the walk leader if not available, back marker added on the day as needed. We carry Public Liability Insurance.

**Legstretchers**, allow for a morning out – usually first Friday once a month - Timings are done by two people and it always takes a bit longer with a group. We will find a café at the end where possible but suggest bringing a drink and snack. We will find a café at the end where possible but suggest bringing a drink and snack.
